

Help us to serve you better

Dear Customers,

Scotiabank is legally required to have your current personal information on file. This information also helps us to serve you better and ensure that we can contact you. Please ensure that your identification and contact information on file are up to date.

- Just provide any teller or service representative with your current ID (passport or two (2) forms of Government issued IDs), contact number and address (postal / email)
- Call our Contact Centre at 242-356-1697 to update your postal / email address and contact numbers
- Login to Scotia Online Banking, bs.scotiabank.com to update your postal / email address and contact numbers.
